Dear Ms. Dorchak,

We would like to thank you very much for the presentation we had on greyhounds and greyhound racing. Also, thank you very much for the nice posters, magnets and buttons you sent to us. We will wear them to school and will place the stickers in our notebooks so when people ask us about it we will be able to tell them why they should not support greyhound racing in Arizona.

Our teacher, Ms. Vigo, told us the story of you and Kelsey and we are glad you survived to help the greyhounds. She also told us what we do not need to be lawyers, doctors or adults to help the dogs now. We will certainly do our very best!

We wish you lots of luck and success in your work to free the greyhounds and hope that very soon our state will join the other states where greyhound racing will never happen ever again!

Sincerely,

Ms. Vigo's 6th grade students at Doolen Middle School in Tucson, Arizona
